APPRAISAL NARRATIVE

INTRODUCTION

This is a Proposition 8 appeal contesting the roll value for the 2025/2026 tax assessment year. The effective date of this appraisal is January, 01, 2025. As required by Section 1 of Article XIII of the California Constitution, Revenue and Taxation sections 110 and 110.1, and Property Tax Rule 2, the interest being appraised is fee simple, unencumbered.

SUBJECT PROPERTY

The subject property is a 11,600 sqft Neighborhood Shopping Center building built in 1977 that is located at 1234-1282 Border Ave in Corona, CA. The nearest major intersection is Via Santiago & Border Ave. The subject property is in average condition.

There are two separate buildings, one on each parcel. These two parcels have been valued as a single appraisal unit, reflecting their transfer history.

VALUATION

The Income Approach utilizes the direct capitalization method, which converts expected income into an indicator of market value. Please refer to rent comparables and other relevant market infomation contained within this packet.

The Sales Comparison Approach uses the sales of properties similar to the subject to arrive at an estimate of value. Adjustments to the sale price of the comparables were made where the characteristics of the comparables differed from those of the subject. Adequate market information was available to arrive at a reasonable estimate of value, and the value indicated by the Sales Comparison Approach is therefore considered to be reliable.

The results indicated by the value approaches are summarized as follows:

Income Approach:	**$4,916,000**
Sales Comparison Approach:	**$4,930,000**

CONCLUSION

The Assessor's Office has given careful consideration to the approaches to the value that have been used in this appraisal and has determined a reasonable and reliable indication of fair market value for the subject property. Therefore, the Assessor's Office recommends a reduction for the 2025/2026 tax year.

CONCLUDED VALUE = $4,935,000
